We are officially on the downward slope towards the Hot Shoe Show! In this newsletter you will have the information on dates, upcoming schedules, and extra show information that you need to know. Please ask any questions you may have about anything!

KMC Movie Party & Dance Party

If you have not heard, Parents you could have the night off! We now have a Dance Party night and a Musical Movie night once a month. It is open to the public and it cost \$10 per child. We offer free pizza and popcorn. April 7th is Movie Night revisiting "42nd Street". This is age restricted to younger children, they must be able to be quite and enjoy the movie. April 21st is Dance Party! Everyone is invited 5 years and up.

Hot Shoe Show Shirts & Videos

Pre Order for shirts and videos are now being taken. The shirts are required to be in the big opening number of the show. Every Dancer is invited to participate in the opening number, all you need is a HSS shirt and black bottoms. We have a professional videographer that has been filming our show for 10 years now. He comes to the dress rehearsal for special footage, does interviews and compiles them into a bonus DVD. You get the show DVD and bonus DVD for \$45. On June 1st the price will increase to \$55 and I only get a limited supply beyond the pre orders, so I may run out. Please see Miss Blanca to pre order.

Opening Number Rehearsal

Opening number rehearsal starts on May 6th and is every Saturday in May. It is from 11am to 12pm. It is open to everyone! Even parents can be in it! All you need is a 2017 HSS Shirt and black bottoms. The beginner class does not need to attend Saturday rehearsals. They will learn their part in class. Please let Miss Blanca know if you need a shirt.

Picture Day Schedule & HSS Rehearsal Schedule

I am currently working on the upcoming schedules. Picture Day is May 21st. If you have any conflict that you would like to work around, now is the time to let me know. I will do my best to make sure everyone can be in the picture for the poster. HSS rehearsal is a long 3 day process, but is very necessary. If you need help with rides to Martha Luigi Auditorium, now is the time to start setting that up. Once my schedules are set and sent out I will not be making any changes.

Costume Information

This month we will be trying on costumes for the show to see if any alterations are needed. We are extremely fortunate to have Miss Bettie and Miss Ti, who alter the costumes to fit your dancers. We do our best to make sure they look great on stage. Please be sure that your dancers have tights and leotard with no skirts for these days. I will let you know when that will be. You can pick up your costumes starting May 15th only if your account is paid in full.

Stage Makeup Class

I offer a class that teaches you how to do proper stage makeup for pictures and the show. The makeup is necessary to be able to see the natural features of your dancer. I will offer the class on May 20th at 1pm

KMC Team News

I would like to take this moment and say how proud I am of our KMC Competition Team. They have improved so much and even though we only bring a few dances to these huge competitions, one studio brought 150 and we only have 11! We continuously rank in the top 10! I am truly blessed with some talented young ladies that are dedicated to learning more, trying more, and growing beyond my expectations at every event. They are not afraid to fail, because they do their best every time. THANK YOU my amazing team of dancers and parents! You make me look really good =D
