Welcome to KMC!

See our website for information about registration dates and times this summer.

Our Dancin' News will keep you up to date with what's going on at Kinetic Movement Center.

Our Footwork classes, which include ballet, tap, jazz, pointe, lyrical, etc., do not meet during summer, however; there is much going on at our studio. We have summer workshops and camps, as well as our KMC classes, which include tai chi, pilates, NIA, line dancing, etc. Please check the summer schedule, which is located on our home page, front and center, directly under Tindal Ploch's name.
