Hot Shoe Show News

We are now officially counting down to Hot Shoe Show 2017 - TV Themes. On the 2nd page is a list of dates for the rest of the year. Here are some things you should expect, as the show date gets closer...

It is important to keep up with newsletters, as they contain important info each month and as we get closer to the show there will be more to keep track of. Each year we have an Opening number in the show, ALL dancers are welcome to be in the opening number. There will be Saturday rehearsals required for all dancers who want to be in this extra number starting in May. This is a great opportunity for dancers in only 1 dance to have another dance in the show. All opening number dancers must order a 2017 Hot Shoe Show T-shirt and wear black bottoms (skirt, pants, etc.).

There are many important dates in May. Please be sure you know which class level your dancer is in so that you will know what times they have pictures and rehearsals.

If you have any questions or concerns, please let me know. I am available through email or call the studio. I know for new parents this can be overwhelming and confusing. We all want this to be a positive experience for you and your dancer, so please feel free to ask for help or any extra information.
