**Parent tips-** Parents are not allowed in the classes with out permission from the teacher. This is especially important with the babies; extra people in the room easily distract them. Some of the little ones may cry or get upset for the first few weeks, we are experienced in dealing with this, and ask parents to be brave and let your little one know it will all be o.k. We will be sending home notes every now and then be sure to ask your child if they have received one, they tend to get lost at the bottom of bags. Please ask if you have any questions. You can also check our website for any important info <http://kineticmovementcenter.com/index.php>.

**Dancewear Babies(Beginners) & Kinder** are to wear dance clothes, leotard and tights. They are not supposed to wear panties under their tights, and it is better to start getting them used to this when they are little, as when they get older it is a rule. Also, at show time costumes look better with no “panty lines”. Hair is to be pulled back and out of the face.

**Dancewear Intermediate – Advanced:** For **Ballet**, dancers are to wear a leotard and tights. Ballet skirts or tight fitting shorts may be worn with teacher’s permission. Hair should be secured from face. For **Jazz and Tap**, leotard and tights, or other close-fitting *dance* attire. Anything that keeps the teacher from seeing the bodyline may need to be removed. For **Hip-Hop, dance** clothes must be worn, dancers choice, **street clothes are not allowed**. The proper dance shoes should be worn to all classes. Hair is to be pulled back and out of the face.
